FREQUENTLY ASKED QUESTIONS

Guidelines for enrolling in Athletic classes:

- ☐ Freshmen may sign up for only ONE sport
- ☐ Must sign up for the entire year.

*What if I want to participate in more than one sport?

You should sign up for the sport that starts its competitive season first, and sign up for the full year. Please sign up for the fall sport first. You will seek approval for the second sport during the school year. Coach will approve schedule change during the 9th grade year.

Do I need a physical to participate in Athletics?

Yes, a doctor's physical is **required** for ALL sports. Athletes are strongly encouraged to get a physical during the summer so they will have it when school starts. Students will be removed from the athletic period if they do not have a physical by the second week of school.

All physicals need to be dated after April 15, 2016

What if I try out and don't make the team?

If students do not make the team during try-outs, they will be cut from the athletic period and re-assigned to a PE class.
