## Purpose:

To provide and create opportunities for students to take courses of interest if the classes are not offered at their home campus

## Key Facts:

Transportation Provided  
 Campus Schedules Aligned  
 College and Career Readiness  
 In-depth study of Desired Career Paths

## North Schools

## Endorsements Key:

Arts and Humanities Business and Industry Public Services STEM

\* Students must enroll in these courses during their Sophomore year in order to accumulate the appropriate classroom credit/ hours for successful course/program completion. Students taking second year courses may need to spend additional time outside the normal school day.

In most pathways students will have the opportunity to earn industry standard certifications/licensures upon completion of the pathway.

*The Austin Independent School District offers career and technical education sequences of coursework based on the sixteen federally defined Career Clusters. Admission to these courses is based on interest and aptitude, age appropriateness, and class space availability. It is the policy of the Austin Independent School District not to discriminate on the basis of race, color, national origin, sex, or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendment of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended.*
